

Calling All Musicians

Registered charity SC 031798

**Beat the January blues and take part in our first ever
10hr Sponsored Music Improvisation
on Saturday January 28th 2012
from 10am – 8pm**

In aid of Glasgow based mental health charity Common Wheel, which supports mental health recovery through music and bicycle recycling.

Fearless musicians are invited to join our rag tag bunch of improvisers in creating 10hrs of completely new music. To take part, all you need is to be able to bring your own instrument, improvise with others, commit to play at the event for between 1 and 9 hours, and to raise a minimum of £12.00 sponsorship for your efforts.

Whether you're an amateur musician or an improviser by trade, get involved and be part of something truly spectacular (or at least, noisy).

We need you!

Want to take the reins?

You can also pay to lead the group and mould the music as it happens as an Improvisation Conductor, at any point during the day for £2 per 5-minute slot.

Never done it before? We'll keep you right - it's as easy as riding a bike.

Plus you don't need a helmet*
