

# Subsonic Algorave 2020 - call for participants

As part of [Eulerroom Equinox 2020](#)

**Live Coding** is an artistic technique by which music or visuals are generated and modified by writing lines of code in different programming languages, giving instructions to the sound or video cards in the computers where the script is executed.

We are looking for audio and visual live coders for sets at the Subsonic Algorave 2020. The algorave will take place at the [Scottish Submarine Centre - Helensburgh](#), from 8:30pm to 10:30pm on Friday 20<sup>th</sup> March 2020.

The algorave will be preceded by a workshop for those new to live coding.

Please read the [code of conduct](#).
